Re: WT Docket No. 12-69

Dear Madam Secretary:

Pursuant to Section 1.1206 of the Commission's rules, 47 C.F.R., this correspondence constitutes notice of a permissible ex parte presentation in the captioned proceeding.

The meeting transpired on August 8, 2012. Representatives from Continuum Wireless, LLC, as set forth below, met with Chairman Genachowski. Representing Continuum were Clark Akers and Billy Mounger.

At the meeting, a brief history of the wireless operating experience of Continuum principals was presented. The Commission was urged to act with all due haste, this year, in the interoperability NPRM proceeding; that interoperability is desired and needed by Continuum; that without interoperability, Continuum participation in future auctions will not be possible; that Continuum has been active in seeking industry consensus on the interoperability issue – which no longer appears feasible; and that the Commission should focus on the technical and competitive issues involved in interconnection.

Please direct any questions to the undersigned counsel for Cavalier Wireless, LLC and Continuum Wireless, LLC.

Very truly yours,

/s/ Thomas Gutierrez
Counsel for Continuum Wireless, LLC

cc: Chairman Julius Genachowski
